GENERAL PRODUCTS

SAFETY

Nexus Scientific is one of the leading manufacturing & Promotion cum Distribution company in the field of Custom Made Glass Wares, Laboratory Chemicals, Chromatography consumables, High Pure solvents for instrumental analysis, Plastic Wares, Organic & Inorganic standards traceable to NIST, NMR solvents and entire range of Laboratory Equipments & Instruments.

Nexus Scientific is a young marketing company marked by growth, quality products and excellent service. We look ahead to bringing in companies and products that will support the Indian customers to accelerate research.

We have a team of well trained marketing people and administrative personnel who are responsive to the jobs placed upon them.

CUSTOM GLASS WARES

The glass solution you've been searching for...

GLASS BLOWING & CUSTOMISED GLASSWARE

We provide solutions to the leading companies and innovators across the pharmaceutical, chemical, medical research and environmental sectors. We also work closely with university research scientists and technicians.
